6. (Unclassified - JGO) Met with Archie Nahigian, Special Assistant to Representative B. F. Sisk (D., Calif.), and some 11 other interns from various California colleges serving in offices of the California delegation and talked to them for an hour about the Agency. Although they were not at all difficult, I doubt that many of them would be overly interested in employment in a security service.

7. (Confidential - JGO) I had lunch with Dr. John Brady, House Foreign Affairs Committee staff. Brady told me he will be travelling to the Far East again, this time with Representative Lester Wolff (D., N. Y.) on yet another survey of the narcotic situation in Indochina. He suggested I might arrange a meeting for later in the week with [REDACTED] at which time he will fill us in on as much of the detail of the trip as is available. He would appreciate such guidance as [REDACTED] can give him on the situation in Indochina. He told me also that a memorandum of his concerning a confidential conversation regarding AID had appeared in Jack Anderson's column of 2 July. This has created some problems within the Committee. After checking with [REDACTED] the meeting was scheduled for 11:00 a. m. Friday, 20 July, in Brady's office. 25X1A 25X1A 25X1A

8. (Confidential - JGO) Received a call from General Raymond Furlong, Deputy Assistant Secretary of Defense (Legislative Affairs), who told me that Jim Woolsey, Senate Armed Services Committee staff, has requested Defense Human Resources Intelligence Collection Management Manuals (DIHUMs). Before they are released, he needs Agency approval in keeping with a memo of 26 August 1971 from Richard Helms to General Bennett. [REDACTED] has been advised. 25X1A

9. (Confidential - JGO) Received a call from Bill Hogan, Counsel, Intelligence Subcommittee, House Armed Services Committee, who told me that he had passed on the information given him yesterday concerning planning for [REDACTED] to Frank Slatinshek, Chief Counsel for the Committee, and Chairman Nedzi. Nedzi has several questions and would appreciate if I would come by and see him. 25X1A
